

**NATIONAL VOTER
REGISTRATION DAY IS
SEPTEMBER 19TH!**

**HOST A VOTER REGISTRATION
DRIVE AT YOUR SCHOOL
BETWEEN SEPTEMBER 18TH -
OCTOBER 10TH**

HOW-TO GUIDE

- ✓ **Get permission** from your school administrators to hold a voter registration drive on campus. Decide with them where and when it will be held, such as in classrooms, the cafeteria, or during an event.
- ✓ **Gather the materials** you need for the drive, such as paper forms, pens, clipboards, (if not using online registration), or set up a computer with online registration form at <https://olvr.ohiosos.gov/>
- ✓ **Recruit and train** volunteers to help you with the drive. Make sure they know how to register voters, answer questions, and follow the rules.
- ✓ **Promote your drive** to your school community. Use social media, flyers, posters, announcements, or word-of-mouth to spread the word about your drive and encourage people to register.
- ✓ **Set up a table** on the day of the drive in a high-traffic area and greet potential voters. Ask them if they are registered to vote or need to update their information. Help them fill out the forms or use the online tools to register themselves.
- ✓ **After the drive**, submit any completed paper forms to your local board of elections office.
- ✓ **Become a poll worker!** Students 17 and older can work the polls on election day and **earn a \$100 plus an excused day off of school!**
